

Slindon Church of England Primary School

We were very pleased to receive the attached letter from Mr Peter Griffiths, West Sussex County Council Cabinet Member for Education and Schools, which highlights this year's academic success at the village school.

I am sure all the parishioners will be delighted in its message and continue to show their pride and appreciation by fully supporting Slindon Church of England Primary School in its development of our children.

Tony Elkin
Chair of Governors

26 September, 2011

Dear Jane

I am writing to congratulate you and your school on your Key Stage 2 results this year which have exceeded FFTD targets and so are in the top 25% of schools nationally. You have also continued to achieve well above the national average and maintained an improving trend over the last three years. I am delighted that all your hard work and commitment to raising standards has been so successful.

I am confident you will continue to maintain these high standards and I trust that you will be willing to share your expertise and good practice within your Locality and beyond.

Please pass on my thanks and appreciation to all your staff, pupils and governors. *I would value an opportunity to visit the school*

Wishing you continued success in all aspects of your work in the coming year.

Yours truly,

Peter Griffiths
